

STUDENT REPRESENTATIVE JOB DESCRIPTION

Do you want to share the benefits of LawTutors with your law school while getting credit for your LawTutors sessions? By referring students to LawTutors, you get a \$10 credit per student to use for your LawTutors sessions. Just make sure to tell the students to write your name on their sign up sheet, and we'll thank you with a \$10 credit.

Your duties are important; all you have to do is distribute LawTutors brochures, mail new registrations, post and maintain LawTutors posters and bulletins, send LawTutors a copy of your school's student directory and academic calendar, keep LawTutors informed about any changes in phone numbers, email addresses, and school status, etc., and reap the benefits of being a LawTutors' representative!

Other than getting a \$10 credit for your tutoring at LawTutors, by being a representative you also will have access to all LawTutors materials for current courses, and you can even earn \$50 cash for every successful referral of five students!

To become a LawTutors representative, just fill out the application, e-mail or send it to LawTutors, and we will reply to you.
